

Testimonials

"We hired Connie's to cater our wedding. I couldn't recommend them highly enough. We got terrific "bang for our buck." The staff was attentive and professional and multiple people commented on how good the food was. We had heavy passed appetizers, which were delicious, and a buffet of chicken, fresh mashed potatoes, green beans, and rolled beef tenderloin. Connie's offers everything the more expensive caterers offer for far less price. The best part was the service though. The head caterer, and her boss were fantastic. We did two tastings before we signed our contract and two walk throughs of the venue before the event. Throughout the event itself, they were attentive and catered to our every need and to the needs of our guests. I HIGHLY recommend Connie's for any private event."

"We just had Connie's cater our wedding on May 16, 2014 at the Wilder Mansion in Elmhurst. It was amazing! The table cloths were beautiful, the food was so good and best of all the Connie's catering staff knocked it out of the park! Julio was a dream to work with! He was so attentive to all of our questions, needs and requests! Food: We had filet mignon with red wine reduction, lasagna, potatoes and vegetable. The hors d'oeuvres were caprese skewers and lambchop lollipops. Everything tasted fresh and wonderful. I loved the filet especially. Service: Amazing! Julio brought my plate to the table so I wouldn't get it on my dress and then we were able to mingle more with our guests. The servers were more than attentive and so polite. Everything was magnificent! Bar: The bar was great! I heard nothing but wonderful things about the service. Everyone at my wedding was so impressed and I am a long time customer. I used to go to Connie's on Archer as a kid and will continue to go and enjoy the pizza! I will use Connie's catering again! Thank you so much again for making our day!"
